

School Bus Services for 2024

Eastern, Western and North Shore Routes

Key Information

Students must be ready to board the bus FIVE MINUTES before their scheduled departure time. The bus driver will not leave a departure point before the arranged scheduled time; however, they cannot wait for children who are not ready to leave on schedule.

In the event that the bus has not arrived at the bus stop, as well as for any other issues you need to bring to the bus provider's attention, parents are to please call 09 849 3000.

Do not contact the bus driver in the event that a student will not be riding the bus because of illness or for any other type of absence. The bus will run the full route on its daily schedule regardless of absent students. This is necessary for timeliness and route consistency.

Students will be picked up and dropped off only at their scheduled stop. They will not be allowed to get on the bus, nor off the bus, at any alternate location.
